

## 10<sup>th</sup> INTERNATIONAL GEOREGNET SUMMER SCHOOL

### Coastal regions development – possibilities, perspectives and challenges

Zadar, 3<sup>rd</sup> - 14<sup>th</sup> September 2020

The 10<sup>th</sup> GEOREGNET summer school will take place **from 3<sup>rd</sup> to 14<sup>th</sup> September 2020 at the Department of geography at University of Zadar in Zadar, Croatia**. It will focus on possibilities, perspectives and challenges of coastal regions development.

The main topics will include:

- The impact of tourism on transformation of urban landscape and quality of life of inhabitants of the town of Zadar
- Transportation connectivity of Zadar and its surroundings
- The role of cultural heritage of Zadar islands in economic development – the example of Ugljan island
- Transformation of rural areas and evolution of landscape in Zadar hinterland

The day of arrival of students will be the [day earlier and the school will began on the 3<sup>rd</sup> September](#).

The accommodation for [students and teachers is free and it will be provided in the student dormitory.](#)

### **Programme draft:**

Besides regular lectures and seminars, the summer school will focus also on fieldwork, excursions, discussions with experts and authorities, etc. Students obligations include: to study preliminary literature readings and to prepare a presentation. The summer school will last 12 days. Lectures will take place between 9 am and 16 pm.

Workload value of students' work: [5 ECTS](#)

Students will obtain a certificate of attendance stating their workload.

The working language will be [English.](#)

### **Participants:**

Maximum number of [20 students](#) will be selected for participation.

### **Applications:**

The candidates should apply for a CEEPUS scholarship via website [www.ceepus.info](http://www.ceepus.info)

**Application deadline:** (CEEPUS on-line application) First round of applications would be up to [15<sup>th</sup> March.](#) Second round of applications (if there will still be free places) would be up to [1<sup>st</sup> June](#)

### **Selection criteria** (if necessary):

- seniority of students (higher year students have priority),
- field of studies (focus on Geography and Coastal regions),
- multiplicity of applications (the students who haven't participated yet have priority)

### **Scholarship:**

The students will receive a CEEPUS scholarship in the amount of [150 HRK \(=20,16€\) per day](#), while PhD students will receive [170 HRK \(=22,8€\) per day](#). Accommodation is free (in student dorm) but meals will not be free. However, students will be able to have lunch and dinner in student restaurant which is affordable (around 7 EUR for full lunch or dinner menu). Two main

filed trips will probably be organized and paid by Department of Geography but we will have confirmation for that after March. Other outdoor activities (short field trips) can be covered from scholarship.

Travel costs will be refunded by students' home CEEPUS office (where applicable and in accordance with the rules of national CEEPUS offices – ask in your national CEEPUS offices for more details).
